The Ivan Franko National University of Lviv invites you to the *International Seminar on Physics and Chemistry of Solids* in Lviv, June 6 – 9, 2010. The XVIth Seminar continues the tradition of the Ukrainian-Polish seminar series which is held annually in one of these two countries.

SEMINAR SCOPE covers all aspects related to:

- Technology, Chemistry, Physics and Engineering of Advanced Materials
- Modeling, Non-destructive Testing and Characterization Techniques applied in the Modern Materials Science

SCIENTIFIC TOPICS

- Theory of Solid-State Condensed Systems
- Structural Defects and Defect-Related Phenomena in Solids
- Transformations and Relaxation Phenomena in Solids
- Low-Dimensional and Disordered Materials and Nanoscale Effects
- New Inorganic and Organic Materials (Synthesis, Structure and Properties)

Please don't forget to mark in the Registration procedure the type of presentation you prefer (Oral or Poster).

REGISTRATION AND SUBMISSION OF ABSTRACTS

The registration procedure should be accomplished via the web site of the seminar: <http://physics.wups.lviv.ua/ispcs2010/> Once you click on the “Registration and Abstracts” link, you will be guided through the process.

SCIENTIFIC PROGRAM

The scientific program of each session will consist of invited lectures (30 min), oral presentations (15 min) and a poster session. All contributions will be in English.

Oral and poster presentations will be selected on the basis of the submitted abstracts.

Overhead projectors and equipment for computer presentation will be provided by the organizers.

The poster size should be of A1 format.

SEMINAR PROCEEDINGS

The Seminar proceedings will be published in the International journal “Chemistry of Metals and Alloys” (<http://www.chemetal-journal.org/>).

SEMINAR FEES

All participants must register and pay the Seminar fee:

Regular (accommodation in a double room shared with other participant) **180 EUR**

Advanced (accommodation in a single room) **210 EUR**
