

## Young Scientists Awards

The Organizing Committee would like to inform that Poster Competition for young scientists (before 30) will be held during the Seminar. The International Jury Panel will select the best 3 posters in “*Physics*”, “*Chemistry*” and “*Engineering*” nominations according to their

- overall impact,
- clarity of presentation,
- appropriateness of graphics,
- technical details,
- creativity,
- universal appeal.

## Deadlines

- April 15, 2008  
Receipt of abstracts
- May 1, 2008  
Acceptance of abstracts
- May 12, 2008  
Submission of Registration Forms
- May 20, 2008  
Confirmation of registration
- June 2, 2008  
Receipt of manuscripts

## Seminar Location

The Seminar work sessions will be held in Scientific Research Company “Carat” and at the Ivan Franko National University of Lviv. Accommodation of Seminar participants will be organized in the Guest Hotel of the Ivan Franko National University of Lviv (3, Stetska str., 79005, Lviv, Ukraine), situated in the city center, just in 10 min. walk distance from the Physics, Electronics and Chemistry Faculties and in 15-20 min. walk distance from the University main building.

Since the number of Seminar participants is limited to 50-60, we kindly recommend you to arrange your status until May 20 via Registration procedure.

Scientific Research Company “Carat”  
Lviv, Ukraine

Ivan Franko National University  
of Lviv, Ukraine

Jan Dlugosz University  
Częstohowa, Poland

## First Circular

Lviv  
1-4 June, 2008

## Seminar Scope

covers all aspects related to:

- Technology, Chemistry, Physics and Engineering of Functional Materials as well as
- Modeling, Non-destructive Testing and Characterization Techniques applied in the Modern Materials Science

The Seminar program will include

- keynote lectures (up to 30 min)
- oral presentations (up to 15 min)
- posters

in the following

## Scientific Topics:

- Theory of Solid-State Condensed Systems
- Structural Defects and Defect-Related Phenomena in Solids
- Crystal Structure of Complex Inorganic Compounds
- Phase Transitions, Structural Transformations and Relaxation Phenomena in Solids
- Self-organization Effects in Covalent-Bonded Glassy Networks
- Low-Dimensional and Disordered Materials
- Nanoscale Effects in Solids
- New Organic Materials with Functional Properties

## Abstract and Seminar Manuscript

Abstract of up to one A4-page should be submitted no later than April 15, 2008 to e-mail [scigroup@novas.com.ua](mailto:scigroup@novas.com.ua) using a template attached.

The Seminar proceedings will be published in the “*VISNYK of Lviv University, Ser. Phys. and Ser. Chem.*”

## Languages

English is required for abstracts and posters. Ukrainian, Polish and English are allowed for keynote lectures and oral presentations.

## Registration Fee

in the amount of

- 170 EUR (accommodation in a double room shared with other participant) or
- 220 EUR (accommodation in a single room)

should be paid at the registration desk after arrival in Lviv.

Seminar fee covers:

- Full board meals and accommodation
- Conference program, Abstract Book
- Welcome Party
- Seminar Dinner
- Folk recreation party out of Lviv and excursion in the historic centre of Lviv
- Coffee breaks and snacks service

## Advisory Committee

Ivan VAKARCHUK – honorary chairman  
Mykola VAKIV – chairman  
Zygmunt BAŁ  
Janusz BERDOWSKI  
Yaroslav KALYCHAK  
Bohdan KOTUR  
Bernard MARCINIAK  
Ihor POLOVYNKO  
Józef SWIĄTEK  
Petro YAKIBCHUK

## Organizing Committee

Mykola VAKIV – chairman  
Lyubov SHPOTYUK – secretary  
Vitaly BOYKO  
Grygoriy DMYTRIV  
Halyna KLYM  
Yaroslav SHOPA  
Oleh SHPOTYUK  
Dmytro SUGAK  
Sergiy VELGOSH
